MISSED APPOINTMENTS

A Policy Statement

HEALTHWORKS! has made a commitment to timeliness. We have limited the number of patient visits per day, so that care can be delivered in as timely and efficient a manner as possible. Our long time policy of charging for missed appointments not canceled or rescheduled at least 24 hours in advance, though formerly infrequently enforced, is being universally applied. Our commitment to quality patient care remains the same:

MISSION STATEMENT

*We are dedicated health and wellness professionals
striving to educate, empower, serve and support
you, our patients,
in a joy filled, caring and compassionate atmosphere
utilizing the best in applied kinesiology and functional medicine
to encourage optimum health and vitality.*

Committed to providing the quality care you deserve, we hope that this brief explanation of the universal application of our missed appointment policy is received in the spirit with which it is intended.

MISSED APPOINTMENT CHARGE IS \$150.00 *

* Due to the extended time allotted for a **NEW PATIENT Appointment** the **Initial Visit Missed Appointment Charge is \$300**

If circumstances beyond your control prevent you from being able to reschedule your appointment in a timely manner, please feel free to request that your account be credited charges incurred. Our intention is not to apply this policy unfairly but to encourage all patients to help us provide quality care in a timely and efficient manner.
